

Memories.....

Did you know that the
Fingerlakes Ski Club is 32 years old?

It was started in 1972 by Pat Glancy and has been going strong ever since.
To celebrate this longevity, we are asking you to share YOUR memories
of good times with the ski club.

*(Don't be shy, we'd all like to hear
about the skinny dipping on that rafting trip!)*

Simply write a few lines on the form below,
describing a favorite memory & mail it (e-mail or snail mail) to

Kathy Graber
5703 Silver Street Road, Auburn, NY 13021

Each month during the 04-05 ski season,
the favorite memories of our members,
new and old, will be printed in the Snowflake,
FLSC's monthly newsletter!
