## Frequently Asked Questions (FAQs):

**Travel / Flights** – Here's what we anticipate now: Morning bus (6:00am) from TBA Auburn (with second pick up at Byrne Dairy in Lafayette at 6:30am) to JFK for 1:30pm flight on American. Stop in Phoenix and on to Reno, arriving 8:00pm. Bus one hour south to South Lake Tahoe. Return flight departs Reno @ 7:10pm (yes, you can ski til 3:00 on Saturday!) to Phoenix, then overnight to JFK, arriving about 6:00am. Bus back to Auburn / Syracuse, arriving about 1:00pm on Sunday. This could change between now and March! Info on baggage costs will be shared later; pay your own. Sorry, no frequent flyer miles use on this trip.

**Skiing** – A Tahoe Local (EPIC) pass is included in the package price. Deduct \$395 if you have an EPIC pass or are a non-skier. Because of our red eye flight home, this trip offers the chance to ski 7 days in Tahoe! Tahoe Local Pass includes unlimited Heavenly, Kirkwood and Northstar PLUS the benefits listed below. Great deal! We've made arrangements to get these tickets in December 2021 so they can be used all 2022 season.

The [Tahoe Local Pass](#) offers the following 2021-2022 season-long benefits:

- Access with holiday restrictions to Heavenly, Northstar and Kirkwood 7 days a week
  - 5 total days w/ holiday restrictions at Park City, Vail, Beaver Creek, Keystone, Breckenridge or Crested Butte
- Discounted Tickets:
- Half-price passholder tickets available during blackout dates at Heavenly, Northstar, and Kirkwood
  - Half-price passholder tickets available during blackout dates at Breckenridge, Park City and Keystone also at Crested Butte, Stowe, Mount Sunapee (New Hampshire), Okemo, Stevens Pass (Washington state)

There will be options to take a bus to Kirkwood and Northstar one day during the week for about \$40 pp each trip. We are working on this and will have more information as it gets closer. Vail Resorts is not cooperating. We may book a charter bus or we will provide bus contact info to make your own arrangements. Stay tuned.

**Mountain tours** – Trip leader will try to arrange an on-skis mountain tour of Heavenly the first day (Sunday). More after the new year; there may be a cost.

**Trip Insurance** – Trip insurance is highly recommended. This is the responsibility of the trip participant. A few options are AAA (Allianz), Red Sky and TravelGuard. Cost is usually less than 10% of the trip package price, and should be purchased within 30 days of the initial deposit payment.

**Cancellation Policies** – Special COVID cancellation policies are now nixed, and we're back to the usual timing. **November 20, 2021 is the last day to cancel for any reason for a full refund.** We must release all unused air and rooms at that time. After that, we will work with the tour operator to recoup as much money back as possible. Names for air tickets are due February 1, 2022. Cancellations or name changes once ticketed will incur a minimum \$300 penalty. Again, trip insurance is highly recommended.

We are still awaiting single and triple hotel room rates. Let trip leader know if you're interested in pricing.

**Please arrange for your own roommate.** We may be able to match you, but cannot make any guarantees.
