It is arguably the most user-friendly major European resort, has a staggering amount of skiing, and gets the most reliable snow; this is a combo that is hard to beat!

A special bonus is that Val d'Isere has long been the favorite spot in the Alps for British skiers, so it is totally geared up to the English-speaker, from waiters to ski instructors to rental shops, with nearly no language barrier.

New in 2019, Val d'Isere became a partner in Vail Resort's season pass product, the [Epic Pass](#). If you have one, you may be able to ski Val d'Isere for free (several restrictions apply, pre-planning required).
