The Finger Lakes Ski Club is excited to hit Park City, Utah next season, featuring two amazing ski resorts: Park City/Canyons and Deer Valley. Less than an hour from Salt Lake City, this fun ski town has it all! Park City resort merged with Canyons 10 years ago, making it one of the largest ski areas in North America with 40 lifts, 330 trails and 3,200 feet of vertical. Deer Valley, just down the road, is a high-end resort featuring the famed St. Regis Hotel and Stein Eriksen Lodge plus a 4.2 mile run along with 24 lifts and seven bowls. Plan to ski at least one day at each mountain to get the full experience!
